Greater coverage & earlier service

Accelerate your production by responding faster to your customer needs with expanded expedited and guaranteed services from USF Holland. We're the only major regional transportation service provider to offer next-day service up to a 750-mile range and service up to three flexible guaranteed delivery times – including end-of-day delivery before 3:30 pm!

The award-winning services of USF Holland have received Quest for Quality recognition from *Logistics Management* magazine every year since the mid 1980s.

"A 5:00 pm delivery is too late – shift's over by then. That's why I prefer USF Holland 'before 3:30 pm' delivery. It meets my needs."

Expedited Delivery

Servicing a farther-reaching area

When your shipment needs to arrive at its destination by the next day – with no excuses – rely on USF Holland. We're the regional leader in next-day delivery and provider of the most flexible expedited service options. Compared to our competitors, we offer next-day delivery to thousands more cities and with a farther-reaching geographic territory – one that extends our coverage up to a 750-mile area.

- Now includes distances of up to 750 miles
- More cost effective than traditional "dedicated-equipment expeditors"
- Consistent manpower and equipment availability
- No "bumping" of shipment priority

Guaranteed Delivery

Changing the marketplace with earlier deliveries

While competitors may guarantee by noon or 5:00 pm, USF Holland offers a full suite of early service options – before 9:00 am, before noon and before 3:30 pm – in response to your needs. In fact, we're one of the few regional transportation service providers to offer three guaranteed levels of service, all of which include our standard no-hassle guarantee – your shipment will be delivered within the parameters we commit to or there's no charge.

Available delivery options are:

- before 9:00 am
- before noon
- before 3:30 pm
